

PCA/SBR's PREMIER GROUND SCHOOL FOR ADULT DRIVERS SATURDAY, JULY 29TH CAMARILLO AIRPORT

If you would like your driving skills to be safer, smoother, and better, join us for a fun day at the Camarillo Airport.

Scott Mann, Chief Driving Instructor for PCA Zone 8, will show you how to become a better driver in your very own car. Scott makes learning fun with his experience, enthusiasm, and sense of humor.

Speed is not on the agenda. Faster is not our goal. We will be improving your skills in a safe, zero-pressure environment along with some classroom time to understand the process.

The cost is only **\$60 per person** and that includes driving time with an instructor, classroom work, and lunch!

Space is limited to only 30 drivers, so register early.

When: Saturday, July 29, 2017

Where: Camarillo Airport, 555 Airport Way, Camarillo, CA 93010

Why: Because we can all improve.

How: Complete the form below and mail it in with your check!
