

MANY MANSIONS

SBR 2021 Charity of the Year

Many Mansions, our 2021 Charity of the Year, provides programs, services, and affordable housing to over 1,300 adults and 300 children currently in Ventura County. Headquartered in Thousand Oaks, the nonprofit corporation makes it possible to house families with children, veterans, disabled individuals, and those who were homeless. They have over 600 additional units in construction and development in Ventura County and western Los Angeles County. Our gift was \$5,000.
